# SKIN TREATMENTS

## ADVANCED TREATMENTS

### Chemical Peel \$75 each

or \$345 series of 5 treatments  
Alpha Hydroxy Acids (AHA) are used to accelerate cell proliferation to treat acne scarring, sun damage, blemishing, fine lines and wrinkles. Skin is left smooth and brighter. (To be determined by esthetician.)

### Microdermabrasion \$50 each

or \$200 series of 5 treatments  
A mechanical exfoliation that gently diminishes the appearance of fine lines and wrinkles creating a smoother, more youthful appearance.

### Skin Firming Treatment \$55 each

This skin fitness treatment offers skin a potent blend of peptides, amino acids, vitamins and herbs boosting collagen support and encouraging skin elasticity.

### Clear Complexion Treatments \$55 each

Our student Estheticians will determine the appropriate treatment protocol for your skin's needs from normal to problematic. Skin will be renewed using digestive enzymes to support skin, a powerful infusion of antioxidants and AHA'S as needed. This is a thorough deep cleanse resulting in a potent treatment.
